Wedding General Guidelines

SEATING CAPACITY
The seating capacity of Millar Chapel is approximately 700. Most weddings in Millar have one to two hundred guests, though there is no minimum requirement. Vail Chapel seats approximately 125.

SCHEDULING
Alice Millar or Vail Chapel are available for weddings:
- Saturday at 11:00am (Chapel reserved 10:30am-12:30pm)
- Saturday at 1:00pm (Chapel reserved 12:30pm-2:30pm)
- Saturday at 3:00pm (Chapel reserved 2:30pm-4:30pm)
- Saturday at 5:00pm (Chapel reserved 4:30pm-6:30pm)
- Sunday at 3:00pm (Chapel reserved 2:30pm-4:30pm)
- Sunday at 5:00 pm (Chapel reserved 4:30pm-6:30pm)

Weekdays and Holidays may be reserved for an extra fee at the discretion of the Chapel Wedding Coordinator.

The wedding reservation timeframe was designed for 30 minutes of arrival/prep time, 1 hour of service, and 30 minutes of photographs.

In general the chapels may NOT be scheduled for weddings:
- First weekend of February
- Commencement weekend (early-mid June)
- Labor Day weekend
- Last weekend of October
- First weekend of December
- Any time which the chapel is already reserved for other events

Weddings must begin at the printed start time. Musicians are hired for twenty minutes prior to the ceremony and for one hour after the printed start time. Weddings which start late risk losing their musicians and encumbering a late fee.

PARKING
Northwestern University is located in the beautiful suburb of Evanston and is designed to embrace the residential area. Hence, parking is split into separate lots around the chapel. All Northwestern parking lots are free to the public weekdays after 4pm and all day on Saturday and Sunday. The east lot is co-owned with SAE. The southern half is Northwestern parking (approx. 60 spaces).

1 Northwestern University/Alice Millar Chapel is not responsible for any parking citations or towing expenses.

REHEARSAL
The rehearsal can be booked once the final balance is received. A rehearsal is usually scheduled the evening before the ceremony after 3:00 pm. Rehearsals are limited to one hour. Please arrive on time. The rehearsal will be run by our Chapel Wedding Coordinator based upon your Day-Of Details. Musicians do not attend the wedding rehearsal.

OFFICIANT
Couples are strongly encouraged to bring their own officiant. Our university chaplains can officiate weddings based on their availability.

It is customary to provide an honorarium to the officiating clergy and is not included in the total wedding fee. The standard honorarium for the clergy of the university chapel is $350.

CHAPEL WEDDING COORDINATOR
The Chapel Wedding Coordinator will be present at the rehearsal and on the day of the wedding to provide for your needs and those of your family and guests. The coordinator's role is to welcome you as an honored guest in our chapel and to ensure that your ceremony runs smoothly. The coordinator will run the rehearsal and ceremony based on your Day-Of Details. The coordinators primary role is to send your party down the aisle and cue the wedding musicians. All outside coordinators must work under the management of our Chapel Wedding Coordinator at the rehearsal and ceremony.

Wedding Music General Guidelines

The musical staff of Alice Millar Chapel will assist you in planning beautiful and meaningful music for your wedding ceremony. **One of our Alice Millar Chapel staff musicians provides music (organ and/or piano) for each wedding ceremony and their stipend is included in the total wedding fee.** Recorded music is not permitted.

In keeping with the nature of weddings as worship gatherings which are genuinely joyous celebrations before God, the Director of Music and Music Associate have the responsibility of maintaining an appropriate musical quality. We request that all music used during the ceremony be appropriate to the context of a sacred setting and does not carry a completely secular connotation. If you have a favorite secular song, consider including it as part of your rehearsal dinner or wedding reception.

**FOUR MUSICAL PARTS OF THE WEDDING SERVICE**

- **The Prelude**
  Music played prior to the service while guests are being seated. Prelude music generally begins 15 minutes before the Processional.

- **The Processional**
  The music to which the wedding party enters the church. One or two pieces may be chosen to accommodate the nuptial party and bride or groom.

- **The Service**
  The main part of the ceremony can include quite a bit of music, or none at all, depending on your preferences. Some couples decide to have vocal or instrumental pieces, perhaps a congregational hymn, while others have no music between the Processional and Recessional.

- **The Recessional**
  The music to which the wedding party exits the church, followed by the guests.

**PIPE ORGANS**

The pipe organ in Millar Chapel is a 100 rank four-manual Aeolian-Skinner, and one of the most magnificent organs in the region. The pipe organ in Vail Chapel is a beautiful two-manual mechanical action organ by Casavant Frères. We have provided musical suggestions on the website which can be nicely realized on either organ.

**MUSIC CHECKLIST & TIME LINE**

*After you finalize your reservation*

(For weddings held from June 1-September 15, make communication no later than April 1.)

- Reply to your welcome e-mail from the Associate for Chapel Music so that we are ensured that you have received our communication and understand our regulations concerning music.
- If you wish to hire additional musicians or soloists please inquire about this possibility.
One month prior to the ceremony

- Musical selections should be sent for our approval.
- The stipend for the musician should be delivered and can be paid as part of your final deposit to the chapel. Weddings reserved after 1-31-16 include this stipend as part of the entire wedding fee.

INSTRUMENTALISTS AND SOLOISTS

The use of other instrumentalists (trumpet, violin, etc.) and vocal soloists is welcomed. Excellent musicians are available from the greater Chicago area. All external musicians must be approved by the Chapel Music Coordinator.

Soloists usually sing one to three selections. In the standard wedding ceremony, solos often come just before the Processional, after the Questions, after the Pastoral Prayer, or at the Lighting of the Unity Candle. Any text that is appropriate for a religious service may be used for the wedding ceremony.

Explore your musical options on our wedding music sample page.

MUSIC FAQs

How should I use this wedding information and music samples?

Please read this material completely and listen to the selections. Couples may wish to include other family members in the selection process. Contact Eric Budzynski, Music Associate, to ask questions and to help finalize your choices. Please send your selections by email to Eric Budzynski (millarwedmusic@gmail.com). Your musical selections should be submitted to the Music Associate in writing no later than 1 month prior to their wedding.

Am I limited to the selections listed here?

The pieces listed here are offered as suggestions. We will be happy to accommodate appropriate requests for other repertoire whenever possible.

How do we engage organists, additional musicians, or soloists?

The Chapel Music Coordinator will be happy to engage whatever musicians you may desire. Any external musicians must be approved by the Chapel Music Coordinator. Please make an initial contact with the Chapel Music Coordinator no later than three months prior to the
ceremony. Please note that once a musician’s services are engaged at the request of the wedding party, the wedding party is responsible for compensating that musician in accordance with the established fees. Some of Chicago's finest musicians perform in ceremonies at Millar Chapel, so it is recommended that arrangements be made as far in advance as possible to ensure their availability. If you desire one or more trumpets, a brass quartet or quintet, excellent players can be engaged from the Millar Brass Ensemble.

The Chapel Music Coordinator will be happy to engage a soloist on your behalf. Professional singers of every voice type can be engaged. If you wish to arrange for a soloist on your own, please be aware of the following requirements: The soloist(s) must be of professional vocal quality and capable of projecting without amplification.

If organ or piano accompaniment is required by the organist, music must be provided at least two weeks prior to the wedding in the key and specific arrangement required by the soloist. The organist’s stipend includes a rehearsal with the soloist on the day of the ceremony but would require additional compensation if another rehearsal would need to be arranged.

*When is the music rehearsed? Does the organist attend the rehearsal?*
Musicians will coordinate and rehearse selections prior to the wedding ceremony. Chapel organists do not attend rehearsals for ceremonies (they will confer on order and cues prior to ceremony). When guest clergy are involved, organists may attend rehearsals (for an additional fee of $125) by request to confirm cues for the Processional, Recessional, and any other music in the ceremony but this is rarely necessary.

**Facility Restrictions**

- No keys of any kind will be issued
- No food is permitted inside the chapel
- No alcohol is permitted inside the chapels or wedding rooms
- No moving of chancel furniture (altar, kneelers/piano & stool, etc.) by a guest. They can only be moved by a Northwestern staff member.
- No tape or ribbon may be placed on the pews
- No moving of the altar candles in Alice Millar
- No animals inside the facility unless approved by the Chapel Wedding Coordinator

**Decoration Guidelines**

We highly recommend a simple ceremony. Decoration is absolutely not necessary. It can often only obstruct the beautiful stained glass window and your beautiful selves! If you do want to decorate the chapel please abide by the following rules.
FLOWERS
We recommend that flowers be limited to one or two pieces on or near the Holy Table/Altar. Aisles (both center and side) and the pews of the chapels are not to be decorated with flowers, bows, candles, or any other material. Since we cannot guarantee that the building will be open more than one hour before the wedding, careful arrangements should be made for the delivery of flowers. Flower petals may be distributed in the aisle only if there is an aisle runner.

CANDLES
Candles on the Holy Table/Altar will be lighted for you one half hour before the ceremony begins. The lighting of a unity candle or wedding candle is permitted and may be placed on the Holy Table/Altar. Wedding candles and candle holders must be provided by you. No other candles or candelabras are permitted. The Holy Table/Altar candles are not to be removed from the Holy Table/Altar.

AISLE RUNNER
If you choose to have an aisle runner, you are responsible for all arrangements concerning it, including attaching it to the floor at the front of the chapel. The aisle runner must be placed before the start of the ceremony during the reservation time. Arrangements are usually made with the florist. The length of the aisle in Millar Chapel is 115 feet. In Vail Chapel, the aisle is 45 feet long.

CELEBRATORY TOSS: RICE, ANIMALS & BIRDSEED
The use of rice or birdseed or the releasing of animals is prohibited in the chapels or on the grounds. An alternative to the traditional tossing of grains or seeds could be blowing bubbles or ringing small bells. Please inform us of plans in advance.

Technical Guidelines

PHOTOGRAPHY
Photography is permitted during wedding ceremonies only if it is done quietly and unobtrusively. Photographers must remain off of the chancel (stage) area during the ceremony.

VIDEOTAPING
Videotaping of wedding ceremonies may only be done with the permission of the officiating clergy. Videographers must remain off of the chancel (stage) area during the ceremony.

SOUND AMPLIFICATION
A lapel microphone is available for the officiant and two fixed microphones, one at either pulpit, and one wireless microphone are available. There is a limit of 3 microphones in use at one time. It is not possible to ‘plug-in’ to our chapel sound system. The use of recorded music is strictly prohibited.
