

# May 2025 Off-Campus Life Newsletter

It is hard to believe that spring is here! In this beautiful spring season, we hope you have fun, stay safe, and enjoy these upcoming events in May!

## *Ice-Cream Social*

Join the Off-Campus Life office for an ice-cream social on the evening of Wednesday, May 7th from 5:30pm to 7:00pm. We will be at Firemen's Park, 2040 Maple Avenue. Ice cream from C&W Market will help the first 300 people to celebrate the end of the year, and meet with others from your neighborhood.

## *Post Dillo Clean Up*

Join the annual Post Dillo Day Clean Up event on Sunday, May 18 at 8 AM, where students and staff strive to leave the neighborhood better than we found it on Dillo Day morning! After meeting

at 2122 Sheridan, OCL will provide breakfast and clean up materials for YOU and we will all bring the cleaning to the neighborhood. Special thanks to both Cats Who Compost and ASG's Sustainability Committee, who helped put this event together!
