Starting salary information was available for 281 of the recent graduates who were employed full-time six months after graduation. The average salary overall was \$77,978.

Locations were available for 981 employed recent graduates.
For virtual work, location of the company was prioritized over location of the student/alumni.

EXPERIENTIAL LEARNING OPPORTUNITIES, INTERNSHIPS, RESEARCH, AND DEEP INVOLVEMENT

EXPERIENTIAL LEARNING OPPORTUNITIES

As part of the 2024 Post-Graduation Survey (one source of information for this study), recent graduates were given a list of 21 experiential learning opportunities and asked to check all those in which they had participated as undergraduates. 359 recent graduates responded to this question.

92% reported that they had engaged in one or more experiential learning opportunities.

INTERNSHIPS

77% reported that they had participated in one or more internship experiences.

RESEARCH

66% reported that they had participated in one or more research experiences.

DEEP INVOLVEMENT

90% reported that they had been “deeply” involved in one or more student organizations, clubs, or varsity athletics.
