

Cognos Folder	Report ID	Report Name	Description
Course Offerings and Teaching Assignments	SES013	Course Offerings and Teaching Assignments - IR Version	A more simplified "list" version of the "Course Offerings..." report (above) without the CTEC & Grade Distribution report links, that was designed to be easier to download to Microsoft Excel
Course Offerings and Teaching Assignments	SES014	Course Offerings and Teaching Assignments by Academic Department	Course offerings and teaching assignments by department, course, academic year, term, and section type (includes instructor(s), course, enrolled count, etc.) This report also includes links to individual and overall CTEC and Grade Distribution reports
Course Offerings and Teaching Assignments	SES015	Faculty Teaching Assignments	Teaching assignments by instructor, course, academic year, term, and section type (includes course detail, TA's, enrolled count, etc.) This report also includes links to individual and overall CTEC and Grade Distribution reports
Course Offerings and Teaching Assignments	SES016	Grade Distribution Report	Grade distribution by instructor (or course) for a particular course, academic year, and term. Includes the ability to display results by grade letter or grade points
Course Offerings and Teaching Assignments	SES017	Grade Distribution Report by Department	Grade distribution by department during one or more academic terms. Includes the ability to break down the results by instructor or course.
Course Offerings and Teaching Assignments	SES018	Instructor List by Course (real-time data)	List of instructors of all types (primary, secondary, course coordinator and TA) for each class section for a specified academic subject (department) and term.
CTEC	CTEC001	CTEC Report Responses By Course/Faculty	CTEC question and responses by individual faculty member(s) (instructors & TA's), academic year, term, and course
CTEC	CTEC002	CTEC Report with Response Averages	CTEC question response averages/rates by academic year, term, subject, and instructor (includes instructor and course detail, enrolled count, etc.)
CTEC	CTEC003	CTEC Teaching Assistant Report With Response Averages	CTEC question response averages/rates by academic year, term, subject, and TA (includes instructor and course detail, enrolled count, etc.)
The Graduate School	TGS001	TGS Masters Students Filed for Graduation	A list of Masters students (by program) for whom TGS has approved the submitted Application for Degree Form
The Graduate School	TGS002	TGS Masters Students Milestone Completion Status	A list of Masters students (by program) for whom TGS has approved the Application for Degree Form and who have completed all degree requirements (e.g. those slated to receive the degree).
The Graduate School	TGS003	TGS PhD Students Filed for Graduation	A list of PhD students (by program) for whom TGS has approved the submitted Application for Degree Form
The Graduate School	TGS004	TGS PhD Students Milestone Completion Status	A list of PhD students (by program) for whom TGS has approved the submitted Application for Degree Form and who have completed all degree requirements (e.g. those slated to receive the degree)
The Graduate School	TGS005	TGS Prospectus Report	Displays the prospectus status of each active student in a specified TGS program.
The Graduate School	TGS006	TGS Qualifying Exam Report	Displays the qualifying exam status of each active student in a specified TGS program.
Frequently Used Reports	SES001	Academic Progress & Advisement Report - by Major	List of all classes/units taken & earned by term with GPA and total units for (program active) students in a particular major(s) - commonly referred to as an "unofficial transcript"
Frequently Used Reports	SES002	Academic Progress & Advisement Report - by Student	List of all classes/units taken & earned by term with GPA and total units by individual student(s) - commonly referred to as an "unofficial transcript"
Frequently Used Reports	SES003	Class Enrollment Summary	List of classes (by status), grouped by Academic Group and major or subject area. Option to specify enrollment threshold. Provides Enrollment detail, instructor, waitlist capacity, and class meeting info.
Frequently Used Reports	SES004	Class Enrollment Summary - Multi Terms by Class Section	Summary of enrollment totals by school and subject for multiple terms. Enrollment totals display by course and section.
Frequently Used Reports	SES005	Class Enrollment Summary - Multi Terms by Course	Summary of enrollment totals by school and subject for multiple terms. Enrollment totals display by course.
Frequently Used Reports	SES006	Class Enrollment Summary (real-time data)	List of classes (by status), grouped by Academic Group and major or subject area. Provides Enrollment detail, instructor, class meeting information, combined sections, and waitlist capacity.  Data is refreshed up-to-the second.
Frequently Used Reports	SES007	Class Enrollment Summary by Student Career	Summary of enrollment totals by school and term, with academic subject, catalog number, class section, and instructor. The enrollment totals are displayed in columns by academic careers.
Frequently Used Reports	SES008	Class Lists (real-time data)	Class lists/rosters, run by department or school. Prompts for term, section type, subject area, and enrollment status (enrolled, dropped, etc.) Contains the option to hide or display email addresses.  Data is refreshed up-to-the second.
Frequently Used Reports	SES009	Class Lists By Department	Class lists/rosters, by term, section type, subject area, and enrollment status (enrolled, dropped, etc.) (Contains option to include or exclude SCS classes)
Frequently Used Reports	SES010	Class Lists By Instructor	Class lists/rosters, by instructor, term, school, course, and enrollment status (enrolled, dropped, etc.)
Frequently Used Reports	SES011	Class Schedule by Instructor	All courses/classes taught by instructor(s) by term(s), with meeting and enrollment information (includes optional prompt for Academic Group)
Frequently Used Reports	SES012	Combined Class Sections	List of combined class sections by term and school, sorted by section combined ID; includes course ID, subject, catalog number, class section, course description, class number, and enrollment totals.
Frequently Used Reports	SES022	Degrees Awarded by Plan	List of degrees awarded in a given period of time. Optional prompts to include GPA and Degree Description in the report output.

Cognos Folder	Report ID	Report Name	Description
Frequently Used Reports	SES023	Expected Grads by Plan	List of expected graduates, by term and plan (major, minor, etc.) (Driven by Expected Graduation Term field)
Frequently Used Reports	SES024	Expected Grads by Program	List of expected graduates, by term and program (Driven by Expected Graduation Term field)
Frequently Used Reports	SES025	Holds by Program	List of students by term, career, service indicator (hold) that have service indicators (holds) applied to their student record (Optional prompts for Exp Grad Term, Program, & Svc Indicator Reason)
Frequently Used Reports	SES026	Incomplete Grades by Program	List of students with incomplete grades, by term, career, and academic program. Run for one or more grades: K, No Grade, NR, X, or Y. The report does include non-graded sections.
Frequently Used Reports	SES027	Major Address List	List report of students and addresses by term, plan (major, minor, etc.) (Optional prompt for Career)
Frequently Used Reports	SES028	Major List - Address Labels	Mailing address labels by term, career, address type (perm or curr), and plan (major, minor, etc.)
Frequently Used Reports	SES029	Majors List by Program	Includes a summary table and detail lists of student majors by program and term. Optional prompts for career, academic load, program status, and whether or not to display GPA. Summary table is a count of students in each major. Subsequent pages provide student emplid, netid, name, email address, gender, level, career, program, plan, program status expected grad term, cumulative credits, cumulative GPA, and academic load.
Frequently Used Reports	SES030	Majors List with Sub-Plan (real-time data)	List of students by term and academic career, with plan and sub-plan information. Optional prompts to choose particular plans and sub-plans. Report displays emplid, netid, email, gender, level, career, program plan (including double majors, minors, and certificates), expected grad term cumulative credits, cumulative GPA, and academic load.  Data is refreshed up-to-the second.
Frequently Used Reports	SES031	Majors/Minors List by Plan	List of students by term and academic plan(s) (major, minor, etc.) (Optional prompt for Career and Program). Report output includes Declare Date.
Frequently Used Reports	SES032	Majors/Minors List with Sub-Plan	List of students by term and academic career, with plan and sub-plan information. Optional prompts to choose particular plans and sub-plans. Report displays emplid, netid, email, gender, level, career, program plan (including double majors, minors, and certificates), expected grad term cumulative credits, cumulative GPA, and academic load.
Frequently Used Reports	SES033	Permission Numbers (real-time data)	List of enrollment permission numbers by term, career, academic subject/department or class. Includes the emplid and name of each student who uses a permission number.  Data is refreshed up-to-the second.
Frequently Used Reports	SES034	Program Active Students Not Enrolled	List of students, by term, career, and program who are "Active" in their respective programs, but are not enrolled in classes
Frequently Used Reports	SES035	Student Count by Career and Program	Aggregate student counts (Male/Female, FT/PT, etc.), by term, school (academic group), and program
Frequently Used Reports	SES036	Student List by Program	List of students by term, career, and program with by-program counts of gender, citizenship, ethnicity, and degree. Optional prompt for Program Status.
Frequently Used Reports	SES037	Student Schedules (real-time data)	List of students and their schedules, by term, career, and program (includes term and cumulative statistics). Option to filter report by academic level.  Data is refreshed up-to-the second.
Frequently Used Reports	SES038	Student Schedules by Major	List of students and their schedules, by term and major (includes term and cumulative statistics)
Frequently Used Reports	SES039	Student Schedules by Program	List of students and their schedules, by term and program (includes term and cumulative statistics)
Frequently Used Reports	SES040	Students by GPA	Listing of students by term, career, and program (single or multiple) sorted by either quarter or cumulative GPA. Optional prompt for academic level.
Frequently Used Reports	SES041	Test Credit Summary	A summary report for Test Credits for all the undergraduate students by program and test type for the selected ACAD years / terms
Frequently Used Reports	SES042	Transfer Credit Summary	A summary report for Transfer Credits for the students by program for the selected ACAD years / terms
Frequently Used Reports	SES043	Undergraduate Cross-Registrations by School	A summary report (with sub-report detail) of UGRD students, by term, detailing the students from which home school are taking classes in the other UGRD schools
Frequently Used Reports	SES044	Undergraduate Double Major List	List of Undergraduate students who have multiple majors either in a single school or across multiple schools (optional prompt filter for plan type)
