## 2023-24 Employer Reimbursement Plan Student Finance

Northwestern University's employer reimbursement plan is designed for students whose employers offer reimbursement for tuition charges. It allows participants to defer their tuition payments to Northwestern until after the term has been completed. There are no finance or interest charges; the only cost is a nonrefundable application fee.

### Eligibility

Participation in the plan is open to students in the Northwestern University School of Professional Studies, the Kellogg School of Management's part-time MBA program and the Medill School of Journalism's Integrated Marketing Communications Master's professional degree. Eligibility is contingent upon the student's employer completing Part II of this form. To be accepted into this program, all students must be in good financial standing with the University; students must have no outstanding balance.

### Applying

To apply for the plan, complete Part I of the application and have your employer complete Part II. Return the completed application to Student Finance. See below for fee and deadline information.

### Fee

The application fee is nonrefundable.

	<i>Undergraduate</i>	<i>Graduate</i>
Per term	\$100	\$200
Per year*	\$275	\$550

\*Does not include summer; term rate applies to summer.

### Deadlines

Eligible participants must apply by the following dates:

Fall 2023	August 1, 2023
Winter 2024	November 1, 2023
Spring 2024	February 1, 2024
Summer 2024	May 1, 2024

### Registration

When you register for classes, you will be required to pay all charges not covered by the plan. For example, if your employer is covering 75 percent of your tuition, you will be required to pay the remaining 25 percent plus any lab fees when you register.

*First-time students:* Please submit a copy of your completed application when you register. (The original should already have been sent to Student Finance.)

### Payments

You are required to pay the deferred portion of your bill whether you have completed the course work or have been reimbursed by your employer. You must pay no later than the following dates:

Fall 2023	January 6, 2024
Winter 2024	April 6, 2024
Spring 2024	July 6, 2024
Summer 2024	September 6, 2024

All payments can be made directly to your student account in CAESAR at: <https://caesar.northwestern.edu/>.

For more payment methods see the Student Finance website at: <https://www.northwestern.edu/sfs/payments/methods/>

In the event that you do not make the payment at the required time, the following sanctions will apply:

- The deferred charges will be removed from your student account.
- A late payment penalty (based on the program in which you are enrolled) will be added to your account.
- A hold will be placed on future registrations.
- You will be ineligible for the plan in the future.
- You will be liable for collection, court, and legal costs.

### Audits

Northwestern University reserves the right to conduct random audits, which involve contacting your employer about your employment status.

### Billing

Upon acceptance of your application and completion of your registration, a credit will be placed on your account reflecting the expected payment. This will prevent late charges from accumulating on your account and allow you to register for the next term during the early registration period.

### Returned Payments

A \$35 fee will be charged to your account for each payment returned by the bank for any reason. A late fee also may be charged, and you will be disqualified from the program.

### Withdrawals

If you drop a class or withdraw from the University, all payments are due immediately. The normal University refund policy would then apply. For more information, see pages Withdrawals on "Student Financial Regulations Handbook" at [www.northwestern.edu/sfs/about/](http://www.northwestern.edu/sfs/about/).
