Community Safety Advisory Board
February 26, 2021, 11:30 AM – 1:00 PM, Zoom

Meeting goal: Hear from the Safety & Security external reviewers, then advise on a list of immediate actions (done or started within 90 days) based on the review’s recommendations.

AGENDA

1. Charge and Overview (Craig Johnson and Clyde Yancy, 11:30-11:40, 10 min)
   a. SVP Craig Johnson outlines the group’s charge, then steps out
   b. Review agenda for February 26, 2021 meeting
   c. Approve February 17, 2021 agenda for public posting

   • SVP Craig Johnson outlined the group’s charge: to share community feedback, make recommendations, and to keep the university accountable to improve campus safety. The CSAB will host public events, publish reports, and the chair can request data. Leadership is committed to transparency.
   • Chair Yancy welcomed new members and reviewed the agenda

2. Speaker – NUPD External Review Debrief (External Reviewers, 11:40-12:20, 40 min)
   a. Riley Safer Holmes Cancila (RSHC) & Security Risk Management Consultants (SRMC) present findings and recommendations from the Safety & Security external review. They will attend only this portion of the meeting.

   • The two external review teams presented their findings and their report, and took questions from the CSAB. (Please see the report online for full details).
   • The CSAB asked questions about:
     o The sample size and the groups of people interviewed
     o The philosophy of campus security that was applied to the review
     o Whether there were any differing results between the two external reviewers and how conflicts were resolved
     o The extent to which any of the recommendations may increase the Safety & Security budget or reallocate budget away from the unit
     o The extent to which the review explored additional accountability and disarmament possibilities

3. Group Discussion: Review Proposed Actions (Clyde, 12:20-12:50, 30 min)
   a. The group advises on proposed immediate actions

   • The external reviewers left the room and the CSAB discussed the report and an initial set of actions based on the report’s recommendations
   • Topics included:
     o The development of a broad perspective on what changes might be possible
The (re)allocation of resources to mental health and to supports that would prevent people from reaching crisis moments, including options for transport to the hospital
- The impact of any recommendations on the Safety & Security budget
- Relative prioritization of making revisions to the Safety & Security mission
- The range of activities conducted by Safety & Security
- The philosophy of community engagement

4. **Next Steps** *(Clyde, 12:50-1:00 PM, 10 min)*

5. **Future Meetings**
   a. Thurs, March 4, 9:00-10:00 AM, Zoom
