This is a brief description of the Student Health Insurance Plan. The Plan is available for Northwestern University students and their eligible dependents. The Plan is underwritten by Aetna Life Insurance Company (Aetna). The exact provisions, including definitions, governing this insurance are contained in the Certificate of Coverage issued to you and may be viewed online at [www.aetnastudenthealth.com/northwestern](http://www.aetnastudenthealth.com/northwestern). If there is a difference between this Benefit Summary and the Certificate of Coverage, the Certificate will control.

**Policy Periods**

Coverage for all insured students enrolled in the NU-SHIP will become effective at **12:01 AM** on the Coverage Start Date indicated below, and will terminate at **11:59 PM** on the Coverage End Date of **August 31, 2019**.

**Rates**

The rates below include NU Student and Dependent premiums for the NU-SHIP underwritten by Aetna Life Insurance Company (Aetna), as well as Northwestern University administrative fees.

**Student Coverage**

**Eligibility**

Degree-seeking, Northwestern University students are eligible to enroll in the Northwestern University Student Health Insurance Plan (NU-SHIP). Non-degree and certificate students are not eligible to enroll in the NU-SHIP. (Degree-seeking students enrolled in programs through the School of Professional Studies [SPS] should contact the Northwestern Student Health Insurance office to review coverage options.) For additional information about NU-SHIP eligibility, see the Northwestern Student Health Insurance website at [www.northwestern.edu/student-insurance](http://www.northwestern.edu/student-insurance).

**Students** must actively attend classes for at least the first **31 days** after the date for which coverage is purchased. Internet classes and television (TV) courses may not fulfill the eligibility requirements for the **covered student**. If eligibility requirements are not met, Aetna’s only obligation is to refund the premium. Aetna Student Health maintains the right to investigate student status and attendance records to verify that the Plan Eligibility requirements have been met.

**Garrett-Evangelical Seminary**: students can enroll in the NU-SHIP on a voluntary basis during the open enrollment period by returning a completed application form to their Seminary Student Affairs Office prior to the due date indicated on their form.
Enrollment

All degree-seeking students must have comprehensive health insurance for the duration of their academic studies at Northwestern University. Therefore, every year, Northwestern defaults all eligible students into the Northwestern University Student Health Insurance Plan (NU-SHIP).

Please note: although the University has defaulted students into the NU-SHIP during open enrollment periods, student enrollment data is not forwarded to Aetna Student Health and processed in their system until students confirm their enrollment via the online Coverage Selection Form in CAESAR. (Students will be unable to access their benefits, and be recognized as enrollees in Aetna’s system, until they confirm their enrollment.) Students who intend to use the NU-SHIP for their coverage for the 2018-2019 academic year are strongly encouraged to confirm their enrollment as early as possible during the open enrollment period.

Students covered under alternate insurance plans, who wish to waive their enrollment in the NU-SHIP, must provide plan information and affirm that their insurance meets all of Northwestern’s comparable coverage requirements, via the online Coverage Selection Form in CAESAR during open enrollment. (International students – students holding an F-1 or J-1 U.S. visa – are required to maintain enrollment in the NU-SHIP.)

Students who fail to take any action during the open enrollment period will remain enrolled in the NU-SHIP for the 2018-2019 academic year; all remaining enrollment data will be sent to Aetna Student Health immediately following the Oct. 1 enrollment/waiver deadline.

For additional information about Northwestern’s enrollment / waiver requirements, see the Northwestern Student Health Insurance website at [www.northwestern.edu/student-insurance](http://www.northwestern.edu/student-insurance).

Garrett-Evangelical Seminary students must contact their school administrator for insurance enrollment information at (847) 866-3948.

Dependent Coverage

Eligibility

Covered students may also enroll their lawful spouse, same-sex domestic partner, and/or dependent children up to the age of 26, as long as dependents reside with the registered student.

Coverage for eligible dependents will become effective at 12:01 AM on the Coverage Start Date indicated above, and will terminate at 11:59 PM on the Coverage End Date of August 31, 2019. Coverage for insured dependents terminates in accordance with the Termination Provisions described in the Master Policy.

Enrollment

To enroll the dependent(s) of a covered student, please complete the Enrollment Form by visiting [www.aetnastudenthealth.com/northwestern](http://www.aetnastudenthealth.com/northwestern), and clicking on the “Enroll” link in the middle of the screen, or by calling customer service at (877) 626-2314 and requesting that an Enrollment Form be sent by email or in the mail. The fall enrollment deadline is October 1, 2018.

For information or general questions on dependent enrollment, contact Aetna Student Health at (877) 626-2314.

Important note regarding coverage for a newborn infant or newly adopted child:
Your newborn child is covered on your health plan for the first 31 days from the moment of birth.

- To keep your newborn covered, you must notify us (or our agent) of the birth and pay any required premium contribution during that 31 day period.
• You must still enroll the child within 31 days of birth even when coverage does not require payment of an additional premium contribution for the newborn.
• If you miss this deadline, your newborn will not have health benefits after the first 31 days.
• If your coverage ends during this 31 day period, then your newborn’s coverage will end on the same date as your coverage. This applies even if the 31 day period has not ended.

A child that you, or that you and your spouse, or same-sex domestic partner, adopts or is placed with you for adoption, is covered on your plan for the first 31 days after the adoption or the placement is complete.

• To keep your child covered, we must receive your completed enrollment information within 31 days after the adoption or placement for adoption.
• You must still enroll the child within 31 days of the adoption or placement for adoption even when coverage does not require payment of an additional premium contribution for the child.
• If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 31 days.
• If your coverage ends during this 31 day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 31 day period has not ended.

If you need information or have general questions on dependent enrollment, call Member Services at (877) 626-2314.

**How to Obtain an Insurance Card**

Once you have confirmed your NU-SHIP enrollment through the online Coverage Selection Form in CAESAR, please anticipate 6-8 business days for the enrollment process to be completed. Students can either download their insurance card by visiting [www.aetnastudenthealth.com/northwestern](http://www.aetnastudenthealth.com/northwestern), or use Aetna’s mobile app (text Apps to 23862 to download) to access an electronic ID on their phone. If a plastic copy of the card is needed, students may request an insurance card be mailed to their local address by contacting Aetna directly at (877) 626-2314.

**Mid-Year Changes/Qualified Life Event**

Students may apply to add NU-SHIP coverage, or terminate NU-SHIP coverage in the middle of the plan year – for themselves or their dependents – when subject to Qualifying Events. Specific circumstances that may qualify for a change in your insurance enrollment status in the middle of a plan year include (but are not limited to):

• Loss of existing health insurance coverage (i.e., aging off parents’ coverage, parent/spouse terminating a job)
• New health insurance coverage as a result of new employment
• Change in health insurance coverage as a result of marriage/divorce
• Need to add dependent coverage as a result of the birth/adoption of a child

You must contact the Northwestern Student Health Insurance office within 31 days of the life-changing event or circumstance, in order to petition for a change in your NU-SHIP coverage.

**Mental Health - CAPS**

Northwestern’s Counseling and Psychological Services (CAPS) has established agreements with a selected group of area providers, to offer out-patient services to Northwestern students. When students are referred, through CAPS, to one of these Preferred Providers, students’ co-pays will apply to the annual out-of-pocket maximum. Students who do not use CAPS to seek outside mental services are highly encouraged to utilize Aetna’s DocFind search, to locate providers in Aetna’s behavioral health network.
Coordination of Benefits with Medicare

A person who is eligible for Medicare at the time of enrollment under the NU-SHIP is not eligible for medical expense coverage and prescribed medicines expense coverage. If a covered person becomes eligible for Medicare after he or she is enrolled in NU-SHIP, such Medicare eligibility will not result in the termination of medical expense coverage and prescribed medicines expense coverage under NU-SHIP. As used within this provision, persons are “eligible for Medicare” if they are entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.

The NU-SHIP Gateway Model

The NU-SHIP uses a “gateway model” to provide you with excellent care, and minimize your out-of-pocket costs, wherever possible. To this end, when you are in the Evanston/Chicago area (within IL Cook or Lake counties), the NU-SHIP requires you to initiate care at Northwestern University Health Services (NUHS); NUHS serves as your primary-care provider while you are a Northwestern student.

Because all degree-seeking students may see an NUHS provider at no cost, the NU-SHIP directs you to NUHS first, to help you avoid unnecessary billing charges. If your NUHS provider determines that follow-up care with a specialist is needed, NUHS will provide you with a referral for that diagnosis/condition.

The NU-SHIP gives you access to a national network of providers. If you require care when you are away from the Evanston/Chicago area (outside Cook or Lake county), the NU-SHIP operates as a traditional PPO plan. You may identify available in-network providers and specialists anywhere in the U.S., using Aetna’s DocFind search tool, and access providers directly, without a referral.

Referrals and Referral Policy

NUHS and CAPS are your primary care providers and should be your first stop in coordinating all of your care; NUHS will issue your required referrals when services are received in Cook and Lake County.

Expenses incurred for services for which no prior referral has been obtained are subject to a $50 Deductible, per condition, in addition to any Plan Copay or Deductible which may apply.

When NUHS is closed, please contact the after-hours care line: Evanston students, 847-491-8100 (press 1 for after-hours Nurse Call Line); Chicago students, 312-695-8134 (ask for student health physician on call). Please note: when care is initiated after hours at another treatment facility, such as an immediate care facility or the ER, the student must return to NUHS for necessary follow-up care or for a referral for continued services.
A referral is not required in the following circumstances:

- Medical care received when the student is outside Cook and Lake County boundaries
- Obstetric and Gynecological Treatment
- Pediatric Care
- Mammography
- Maternity
- Mental Health and Substance Abuse
- Treatment for an Emergency Medical Condition
- Preventive/Routine Services (services considered preventive according to Health Care Reform and/or services rendered not to diagnose or treat an Accident or Sickness)

*Dependents are not eligible to use the services of the Northwestern University Health Service and therefore are not subject to these referral requirements and penalties.

In-network Provider Network

Aetna Student Health offers Aetna’s broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan’s benefits are better. In addition, the out-of-pocket costs you pay apply to the plan’s annual out-of-pocket maximum only when you visit in-network providers. (The NU-SHIP has no annual out-of-pocket maximum for costs incurred through out-of-network providers.)

If a service or supply that a covered person needs is covered under the NU-SHIP, but is not available from a Preferred Care Provider, covered persons should contact Member Services for assistance at the toll-free number on the back of the ID card. In this situation, Aetna may issue a pre-approval for a covered person to obtain the service or supply from a Non-Preferred Care Provider. When a pre-approval is issued by Aetna, covered medical expenses are reimbursed at the Preferred Care network level of benefits.

To obtain a list of providers in your area, please visit: [www.aetnastudenthealth.com/docfind](http://www.aetnastudenthealth.com/docfind).

Oral surgeons may be located in DocFind under “Dental Specialist.” Please use Aetna PPO Dental plan as the default for these searches.

Deductible

The policy year deductible ($250) is waived for preferred-care covered medical expenses that apply to Preventive Care Expense benefits.

In compliance with Illinois State mandate(s) the policy year deductible also is waived for:

- Victims of sexual assault or abuse

In addition to state and federal requirements for waiver of the policy year deductible, the NU-SHIP will waive the policy year deductible for:

- Prescribed Medicines Expense
- Treatment of Mental And Nervous Disorders Expense
- Alcoholism and Drug Addiction Treatment Expense
- Pap Smear Expense
- Routine Screening For Sexually Transmitted Disease Expense (including Chlamydia Screening)
- Mammogram Expense

Per visit or admission Deductibles do not apply towards satisfying the Policy Year Deductible.
**Coinsurance**

Coinsurance is both the percentage of covered medical expenses that the NU-SHIP pays, and the percentage of covered medical expenses that you pay. The percentage that the NU-SHIP pays is referred to as “plan coinsurance” or the “payment percentage,” and varies by the type of expense. Please refer to the Schedule of Benefits for specific information on coinsurance amounts.

**Out-of-Pocket Maximum:**

Once the Individual ($1,800) or Family Out-of-Pocket ($3,600) Limit has been satisfied, Covered Medical Expenses will be payable at **100%** for the remainder of the Policy Year.

The following expenses do not apply toward meeting the NU-SHIP’s preferred care out-of-pocket limits:

Non-preferred care (i.e., out-of-network) expenses, Non-covered medical expenses; and Expenses that are not paid or pre-certification benefit reductions or penalties because a required pre-certification for the service(s) or supply was not obtained from Aetna.

**Precertification**

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification.

**Precertification for medical services and supplies**

**In-network care**

Your in-network physician is responsible for obtaining any necessary precertification before you get the care. If your in-network physician doesn't get a required precertification, we won't pay the provider who gives you the care. You won't have to pay either if your in-network physician fails to ask us for precertification. (The Northwestern Student Insurance office can assist you if you are billed erroneously as a result of your physician failing to obtain precertification.) If your in-network physician requests precertification and we refuse it, you can still get the care but the plan won’t pay for it. You will find additional details on requirements in the Certificate of Coverage.

**Out-of-network care**

When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify, your benefits may be reduced, or the plan may not pay any benefits. (Also, please remember that out-of-pocket costs do not apply to the NU-SHIP annual out-of-pocket maximum.) Refer to your schedule of benefits for this information. The list of services and supplies requiring precertification appears later in this section.

**Precertification call**

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. This call must be made:

<table>
<thead>
<tr>
<th>Precertification Type</th>
<th>Timeframe</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-emergency admissions:</td>
<td>You, your physician or the facility will need to call and request precertification at least 14 days before the date you are scheduled to be admitted.</td>
</tr>
<tr>
<td>An emergency admission:</td>
<td>You, your physician or the facility must call within 48 hours or as soon as reasonably possible after you have been admitted.</td>
</tr>
<tr>
<td>An urgent admission:</td>
<td>You, your physician or the facility will need to call before you are scheduled to be admitted. An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.</td>
</tr>
<tr>

<td>You or your physician must call at least 14 days before the outpatient care is provided, or the treatment or procedure is scheduled.</td>
</tr>
<tr>
<td>Delivery:</td>

</tr>
</tbody>
</table>
We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 30 days as long as you remain enrolled in the plan.

If you require an extension to the services that have been precertified, you, your physician, or the facility will need to call us at the number on your ID card as soon as reasonably possible, but no later than the final authorized day.

If precertification determines that the stay or outpatient services and supplies are not covered benefits, the notification will explain why and how you can appeal our decision. You or your provider may request a review of the precertification decision. See the *When you disagree - claim decisions and appeals procedures* section of Certificate of Coverage.

**What if you don’t obtain the required precertification?**

If you don’t obtain the required precertification:

- Your benefits may be reduced, or the plan may not pay any benefits. See the schedule of benefits *Precertification penalty* section.
- You will be responsible for the unpaid balance of the bills.
- Any additional out-of-pocket expenses incurred will not count toward your deductibles or out-of-pocket maximum.

**What types of services and supplies require precertification?**

Precertification is required for the following types of services and supplies:

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB).

Here’s how COB works

- When the NU-SHIP is the primary plan, we will pay your medical claims first as if the other plan does not exist
- When the NU-SHIP is the secondary plan, we will pay benefits after the primary plan and will reduce the payment based on any amount the primary plan paid
- We will never pay an amount that, together with payments from your other coverage, add up to more than 100% of the allowable submitted expenses

For more information about the Coordination of Benefits provision, including determining which plan is primary and which is secondary, you may call the Member Services telephone number shown on your ID card. A complete description of the Coordination of Benefits provision is contained in the Policy issued to Northwestern University, and may be viewed online at www.aetnastudenthealth.com/northwestern.
Description of Benefits

The NU-SHIP excludes coverage for certain services (referred to as exceptions in the Certificate of Coverage) and has limitations on the amounts it will pay. While this Plan Design and Benefit Summary document will tell you about some of the important features of the NU-SHIP, other features may be important to you and some may further limit what the NU-SHIP will pay. To look at the full NU-SHIP description, which is contained in the Certificate of Coverage issued to Northwestern University, you may access it online at www.aetnastudenthealth.com/northwestern. If any discrepancy exists between this Benefit Summary and the Certificate of Coverage, the Certificate will control.

All coverage is based on Recognized Charges unless otherwise specified.

**Negotiated Charge**: The maximum charge a preferred care provider or designated care provider has agreed to bill for any service or supply, for the purpose of the benefits under the Policy.

**Recognized Charge**: The amount of a non-preferred care provider’s charge that is eligible for coverage. A covered person is responsible for all amounts above the recognized charge. The recognized charge may be less than the provider’s full charge.

This Plan will pay benefits in accordance with any applicable Illinois Insurance Law(s).

Metallic Level: Platinum, Tested at 89.47%.

**Important note:**

- As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment/coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.
- A separate hospital emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply.
- Covered benefits that are applied to the hospital emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the hospital emergency room copayment/coinsurance.
- Separate copayment/coinsurance amounts may apply for certain services given to you in the hospital emergency room that are not part of the hospital emergency room benefit. These copayment/coinsurance amounts may be different from the hospital emergency room copayment/coinsurance. They are based on the specific service given to you.
- Services given to you in the hospital emergency room that are not part of the hospital emergency room benefit may be subject to copayment/coinsurance amounts that are different from the hospital emergency room copayment/coinsurance amounts.

A covered person, a covered person’s designee or a covered person’s prescriber may seek an expedited medical exception process to obtain coverage for non-covered drugs in exigent circumstances. An “exigent circumstance” exists when a covered person is suffering from a health condition that may seriously jeopardize a covered person’s life, health, or ability to regain maximum function or when a covered person is undergoing a current course of treatment using a non-formulary drug.

The request for an expedited review of an exigent circumstance may be submitted by contacting Aetna's Pre-certification Department at **1-855-240-0535**, faxing the request to **1-877-269-9916**, or submitting the request in writing to:

What your plan doesn’t cover – eligible health service exceptions and exclusions

We already told you about the many health care services and supplies that are eligible for coverage under your plan in the Eligible health services under your plan section. In that section we also told you that some health care services and supplies have exceptions and some are not covered at all which are called “exclusions”.

In this section we tell you about the exceptions and exclusions that apply to your plan.

And just a reminder, you’ll find coverage limitations in the schedule of benefits.

General exceptions and exclusions
