Why is a Student Health Insurance Plan important?

Health care costs can be very high, so having insurance coverage for emergency and non-emergency medical services in the area where you will attend school is very important. Carefully compare NU-SHIP benefits and Aetna's provider network with the benefits and provider network of any alternate plan you may be considering.

If you're covered under your parents' plan, coverage may end while you're still a student. Under the Affordable Care Act (ACA), health plans provide coverage for dependent children until age 26. With the NU-SHIP, you're covered for as long as you're a registered, degree-seeking student at Northwestern University.

- **Do you have coverage while you're away from home or abroad?** Many HMO (Health Maintenance Organization) plans, along with state or federal-based Exchange plans purchased outside Illinois, may only cover emergency care while you're away from home. When you're on campus, and when you travel in the U.S. or study abroad, it's good to know you're covered, if you should need health care. The NU-SHIP gives you that assurance wherever you are*.

**Aetna cannot cover services when you're in a sanctioned country*

- **Low Deductible/Out-of-Pocket Max. When you need to use your coverage, is your plan there to provide it?** Plans with high deductibles and high annual out-of-pocket maximums mean you could have high costs to pay towards your medical expenses. The NU-SHIP's low deductible and out-of-pocket maximum helps keep your annual costs down.

Compare the NU-SHIP with other available options for accident and illness insurance coverage

When considering which insurance plan to purchase, carefully consider your current medical needs, the benefits highlighted in this pamphlet, and the full range of NU-SHIP plan benefits, by going online at www.aetnastudenthealth.com/northwestern.

Consider the deductible, coinsurance, out-of-pocket maximum, copays, prescription drug coverage, and the provider network, among other benefits.

What is this insurance plan all about?

The NU-SHIP is designed to work in coordination with Northwestern Medicine Student Health Service (NMSHS). By utilizing NMSHS as your primary care you minimize your out-of-pocket healthcare costs. As an NU-SHIP enrollee all medical services rendered at NMSHS are covered in full by the NU-SHIP. You can also visit www.aetnastudenthealth.com to locate an in-network provider.

When

do I confirm or waive enrollment in the NU-SHIP?

Student Health Insurance Requirements

Each academic year, in the first quarter in which you have an active registration status at Northwestern, you are asked either to confirm or waive your enrollment in the NU-SHIP. The annual open enrollment period for students whose classes begin in the Fall quarter is 7/1/22-10/1/22. Students who begin classes during Winter, Spring, or Summer quarters have separate open enrollment periods. Students who elect to waive NU-SHIP coverage must affirm proof of active coverage under a comparable health insurance plan. Students who confirm NU-SHIP enrollment may also enroll dependents under their coverage during the open enrollment period. For details, click on the "Enroll: Dependents" link on Aetna's site for Northwestern students: www.aetnastudenthealth.com/northwestern

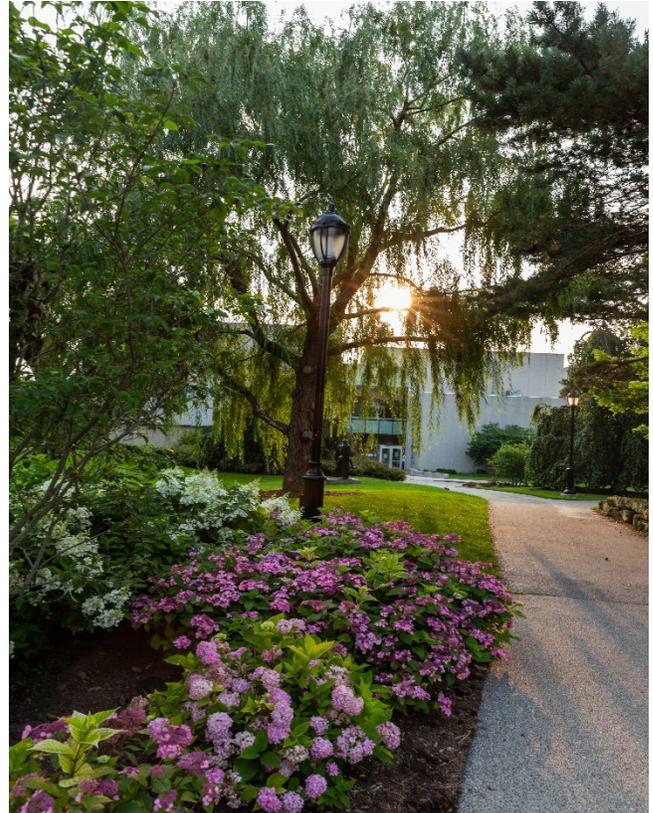

To confirm or waive NU-SHIP enrollment, log in to CAESAR. (Step-by-step screenshots are available at www.northwestern.edu/ses/students/health-insurance/index.html)

If you do not make a selection by the enrollment deadline, or if your application to waive the NU-SHIP is not approved, you will remain enrolled in the NU-SHIP for the 2022–2023 plan year and you will be charged the annual premium of \$4,698. To ensure students' alternate plans meet Northwestern's requirements for comparable coverage, a subset of waiver applications will be audited for compliance. **Please note:** *irrespective of coverage start date, enrollments typically extend through August 31, 2023, the end of the plan year.*
