Unless checked below, I understand the released information may include the following information. Check if you do NOT want to include:

☐ AIDS or HIV testing information or test results	☐ Genetic testing and/or genetic counseling records
☐ Substance abuse/Alcohol treatment	☐ Mental health and developmental disability records

I understand that NMHC has up to 30 days to review and respond to requests. Once the organization or person authorized to receive this information has received it, the information may be re-released by that organization or person. If this is the case, the information may no longer be protected by federal privacy laws; however, Illinois law does not allow the re-release of AIDS/HIV, genetic testing, mental health and developmental disabilities information by the receivers of the information except in precise situations allowed by law. Also, Federal Confidentiality Rules, 42 CFR part 2 prohibits unauthorized disclosure of these records.

I understand that if I do not sign this authorization, NMHC clinical affiliates may not deny me care based on my unwillingness to sign this form; however, NMHC clinical affiliates may refuse to provide care to me if the care is being provided solely for the purpose of collecting health information to be released to a third party (for example, pre-employment exams).

I have the right to withdraw this authorization at any time. My withdrawal must be in writing. Any withdrawal will be valid except for the release of information that occurred prior to this authorization being withdrawn. For information on how to withdraw this authorization, contact NMHC Health Information Management Department at 877.973.2673.

I understand that I have the right to inspect and copy the mental health and developmental disabilities records that will be released.

If not withdrawn, this authorization is valid for a period of six (6) months from the date of signature and allows release of records past the date signed as long as the authorization is still in effect. Standard record copying fees per 735 ILCS 5/8-2006 may apply.

By signing below, I agree to the statements in this authorization form.

- **Patients 12-17 years of age** must sign for mental health and developmental disability, substance abuse/alcohol treatment, AIDS or HIV testing or test results, sexually transmitted infections, pregnancy, sexual assault, or birth control information.
- **Witness/Signature** is required for mental health and developmental disability information, and genetic counseling to recipient other than patient/self.
