

Congratulations on Becoming Green Labs Certified!

Help us feature you in an online profile:

We love to feature Northwestern's certified Green Labs on our website and social media! Please complete this form and send a written profile and lab photo to sustainNU at sustainNU@northwestern.edu to be featured.

Lab name

Date of certification

Number of actions completed / ; %

Our lab would like a framed copy of our certificate

Our lab would like Green Labs stickers

Congratulations on becoming Green Labs Certified! Thank you for being an important part of sustainability at Northwestern.

Profiles can include:

- A brief description of your lab and your lab's motivation for becoming certified
- Examples of innovative or special sustainability practices your lab implemented
- Quotes from leadership or Green Team members about the process
- Future plans to maintain certification or continue greening your lab
- Highlights from the process, challenges, or successes you are most proud of
