ABOUT THIS SERVICE
The mission of the intercampus shuttle is to transport faculty, staff, and students between campuses while on University business. Its primary mission is not intended as a way to commute to work or school; however, as a secondary benefit when capacity exists, we make every effort to accommodate others within the framework of its original mission and budget restrictions. A valid Wildcard is required to ride the shuttle at all times.

Bicyclists are responsible for securing their bikes onto the shuttle's bike racks.

To ensure safety, passengers should not stand past the yellow line or sit in bus stairwells.

VALID WILDCARD REQUIRED
This shuttle is a free service for University faculty, staff, and students with presentation of a valid Wildcard. ID cards for contractors, spouse/partners, temporary/ part-time employees, and Garrett-Evangelical are not accepted.

Expired Wildcards are not accepted.
