YOUR NU CONNECTION

Service | Scholarship | Social Activities

August, 2015

Dear University Circle Member,

Last spring, NU President and Mrs. Schapiro hosted a dinner at their home to celebrate the one hundredth anniversary of University Circle's founding. On this very special occasion, members shared company with friends old and new, recalled stories of Circle's projects and programs, and awarded scholarships to three exceptional young Northwestern employees, who are continuing their education at NU. The Centennial dinner highlighted the variety of opportunities provided by University Circle membership to participate in service, scholarship and social activities which enhance the Northwestern community.

University Circle's second century will soon begin and we hope that you will continue this unique NU connection by renewing your membership for the 2015-2016 year. Your renewal ensures your invitation to upcoming programs which begin with a tour of the new Music and Communication Building in October.

Later this fall, annual favorites will be offered: the ETOPIA play (Bertolt Brecht's *Galileo*) with dinner beforehand and the December Cookie Exchange and Settlement Wrapping Party. We're already looking forward to the next International Dining event and the Potluck and Theatre performance early in 2016.

Program details, volunteer opportunities, membership news and updates will be sent via the Listserv. Check the website, [www.northwestern.edu/university-circle](http://www.northwestern.edu/university-circle), for additional information.

Finally, we hope that you will continue your generous support of the University Circle Scholarship Fund. As always, we look forward to seeing you soon.

Sincerely,

*Sally Dobroski, Margaret Schatz, Jean Wilson*
