

DO YOU KNOW HOW MANY DRINKS ARE ACTUALLY IN YOUR BORG?

No matter what kind of mixer you use or how much mixer you add, that doesn't change that you're drinking **16 shots**. Even if you're drinking your BORG throughout the day, that's still **potentially deadly**.

If you still want to make a BORG, consider adding **less alcohol** and **pacing yourself**.

**IF YOU USE
A FULL FIFTH
(750 mL)
OF LIQUOR,**
